SDG 13

Climate action

Decrease specific GHG (Scope 1 + 2) emissions	5%
---	----

SDG 15

Life on land

Increase share of certified fibre	>55%
-----------------------------------	------

SDG 17

Partnerships for the goals

Build and activate mutually beneficial partnerships	Ongoing
---	---------

When data is expressed in specific form, this means that the actual quantity consumed during the year indicated, whether energy, water, emissions or solid waste, is expressed in terms of a production parameter. For Sappi, as with other pulp and paper companies, this parameter is air dry tons of saleable product.

* This target currently applies to Sappi's mills in South Africa; Sappi's mills in North America and Europe are not located in water stressed locations.
