

FSC™ - Forest Stewardship Council™ is a global, not-for-profit organisation dedicated to the promotion of responsible forest management worldwide.

PEFC™ - Programme for the Endorsement of Forest Certification™ is an international non-profit, non-governmental organisation dedicated to promoting sustainable forest management through independent third-party certification.

SFI® - Sustainable Forestry Initiative® is a sustainability organisation that collaborates on forest-based conservation and community initiatives. The SFI® forest management standard is endorsed by PEFC™.

Assuring stakeholders

External assessments and independent third-party certifications give our stakeholders confidence that our reported performance indicators are reliable, accurate and pertinent.

Forest certification

Forest certification provides assurance that our products originate from responsibly managed forests. All our mills are Chain of Custody (CoC) certified. Knowing the origin of wood is a fundamental prerequisite to ensure responsible woodfibre sourcing.

Available online

All our third-party issued certificates can be viewed (and downloaded) on our website at <https://www.sappi.com/certifications>
